

PEBBLE BEACH COMMUNITY SERVICES DISTRICT

3101 Forest Lake Road, Pebble Beach

www.pbcSD.org

(831) 373-1274

Dear District Resident:

The Board of Directors and staff of the Pebble Beach Community Services District (PBCSD) cordially invite all residents to attend our annual Open House/Public Safety Day and Barbeque on **Saturday, June 24, 2017 from 10:00 a.m. to 2:00 p.m.** at the PBCSD facilities located at Forest Lake and Lopez Roads. This will be good time to meet with your neighbors, obtain safety information you need to protect your family and property, and enjoy the barbeque and refreshments hosted by PBCSD.

A variety of professionals in the fields of fire protection, emergency medical care, law enforcement, undergrounding of overhead utilities, wastewater and solid waste disposal and recycling will be available to share valuable information. Residents will have the opportunity to walk through an area of exhibits where you can meet various vendors, Del Monte Forest organizations and other public safety participants who can provide literature and answer any questions about their services and community activities.

Staff will be conducting tours of the fire station and fire safe garden. Fire engines and equipment will be on display. The "Kids Corner" will again be hosting a fire safety poster contest for children and teaching home fire safety as well as other household safety practices. All children will receive prizes, and a professional face painter will be on hand to create smiles and fun for children and adults!

Back again this year will be the hugely popular "Photo Booth". Come see what this year's theme is!

You will have the opportunity to purchase high-quality, rechargeable fire extinguishers or bring your existing fire extinguishers for annual servicing.

Fire Department staff will provide training/demonstrations on the proper use of fire extinguishers and your family members may have an opportunity to use a fire extinguisher to put out live fires. Paramedics will demonstrate life saving equipment and techniques.

When arriving at PBCSD, **please enter from Lopez Road**. Parking information will be available on our information radio station at 1620 AM.

Looking forward to visiting with you,

Richard D. Verbanec
Board President
