

WASTE COLLECTION SERVICES IN PEBBLE BEACH

- Beginning July 1, 2015, GreenWaste Recovery became the new hauler in Pebble Beach for garbage, recyclables and organics for residents and businesses replacing Waste Management.
- If you still have any old Waste Management carts, please call GreenWaste at: (831)920-6707 to schedule a pickup.
- The basic solid waste service in Pebble Beach includes a 32-gallon garbage, 65-gallon recycle and 95-gallon yard trimmings cart. The fee for this service is \$21.50 per month and is collected on the property tax rolls. The basic service includes a one-way either pickup or return to property within 100 feet of the curb upon request, at no additional cost. The rates for larger size containers; and two-way and other additional services are available at <http://www.greenwaste.com/pebble-beach-csd>. Fees for additional services are billed directly by GreenWaste.
- Expanded services include three annual curbside collection events for bulky and /or reusable items, 30 extra material set-out stickers annually (can be used for garbage or yard trimmings), color-coded carts and compressed natural gas (CNG) collection vehicles.
- More materials are accepted in the recycling cart (including bundled film plastics, small appliances and electronics) and items such as household batteries can be collected. These programs will help the District meet a State mandate requiring a 75 percent recycling rate by 2020 (Assembly Bill 341).

If you have questions, or if you would like a change in your service level, please call GreenWaste at (831)920-6707 or visit: www.greenwaste.com/pebble-beach-csd
