**\*\* All sewer permits issued shall require District inspection after demolition/cap, improvements, repairs, and/or installations are complete. It is the responsibility of the Owner/Contractor to contact the District to schedule an inspection. Inspections requiring backfill shall be inspected and approved by the District PRIOR to backfill. Failure to do so shall require excavation of all installed improvements. District staff has authority to inspect sewer piping starting 2 feet from any structure to the District sewer main. A 24-HOUR MINIMUM NOTICE SHALL BE REQUIRED FOR ALL INSPECTIONS. Please call (831) 647-5620, (831) 760-0224, or (831) 373-1274 to schedule an inspection.**
